

## W3TWA Round Table Net Preamble

Calling all amateur stations, this is the Tamaqua Wireless Association Round Table net, where everyone has a voice. This net meets every Wednesday at 8 PM. The purpose of this net is to share news, ask technical questions, make a comment or just listen in.

***(When a question is asked, net control will then ask for any stations wishing to respond to the question)***

This is a directed net and all stations are asked to stand by until recognized by net control.
