(For use on Tuesday evening weekly net only)

*“Calling all radio amateurs to the Schuylkill County Emergency Service Net. This net meets every Tuesday evening at 8:00 PM for the purpose of emergency preparedness and traffic handling. The net is hosted by the Schuylkill Amateur Repeater Association's on 145.370 , with a -600kHz offset and PL Tone of 123.0 . In the event the SARA 145.37 repeater is not available, we will switch to the W3TWA repeater network and vice-versa, When using the linked system, please pause for 2 second prior to speaking to allow all repeaters to activate. This net is a member of the ARRL National Traffic System at a local level. We encourage all radio amateurs to participate and you do not need to be a member of SARA or TWA to check in to the net. If you do not wish to be called on for comments, or you have an announcement for the net please indicate, “no comments” or “announcement” after giving your call sign and QTH when checking in to the net.
